RELEVANT EXPERIENCE

USA
Work& Travel Program | Summer 2019
- I learnt that everything is possible if you work smart and hard enough.
- My biggest lesson was to step out my comfort zone.

Cluj-Napoca
Innovation Labs | Edition 2020
- I realised how important is to be surrounded by ingenious people and since then I have started to improve my creative skills.

OSUT Cluj | 2018-2019
- Volunteer in more departments: Education, HR, Administration , Polihack
- The best way of how to learn to work in a team is to be part of a team
